DO'S

1. All electrical and electronic products are required to be handed over only to the Authorised Recycler / Collection Centre / Dismantler / Collection Point.
2. Furthermore, these products should be handed over only to authorized Dismantler/Recycler for disposal.
3. Keep the product in isolated area, after it becomes non-functional or un-repairable so as to prevent its accidental breakage.

DONT'S

1. The product should not be opened by the user himself/herself, but only by authorised service personnel.
2. The product is not meant for re-sale to any unauthorized agencies / scrap dealer.
3. Do not keep any replaced spare part from the product in exposed area.
4. Do not store un-used Electrical and Electronic Equipment in your premises.
